LEGACY GOLF PROPERTIES AND TROON EXPAND PARTNERSHIP IN TEXAS

Legacy Golf Properties and Troon Golf — which already

work together at Cimarron Hills Golf & Country Club (Georgetown, Texas) and Comanche Trace (Kerrville, Texas) recently expanded their partnership to include **Buffalo Creek Golf Club**, a daily-fee club in Rockwall, Texas.

Legacy Golf Properties LLC, a Kerrville, Texas-based company, recently purchased Buffalo Creek Golf Club and will operate the award-winning property. As part of the relationship, Troon Golf, the resort and daily-fee management division of Troon, will provide agronomy, operations, and sales and marketing advisory services for Buffalo Creek, while Troon Access members can play, save, and earn points at the club.

Located 30 minutes east of downtown Dallas along the shores of Lake Ray Hubbard, Buffalo Creek originally opened for play in 1992. The club features a 7,078-yard, par-71

golf course designed by Jay Morrish and Tom Weiskopf, a practice range, practice putting greens, and Betty's Grille. With its rolling hills, majestic tree-framed fairways and pristine Championship Dwarf Bermuda greens, Buffalo Creek is annually ranked among the top courses in the Dallas area.

"Buffalo Creek is a special golf course in a thriving community, and we are eager to continue building upon what the Perry Family started here," said Justin Jafarian of Legacy Golf Properties. "The course is a wonderful addition to our portfolio of high-end golf experiences."

Buffalo Creek's Event Pavilion accommodates up to 120 guests and is the perfect setting for weddings, banquets, business meetings, and family gatherings.

"Buffalo Creek has been a mainstay of high-level, quality golf in the DFW metroplex for over 30 years," said Troon Vice President of Operations Jeff Thomasson. "Troon could not be more excited to work alongside Legacy Golf Properties as they expand their impressive portfolio of clubs." ■
